

REMARKS

The missing abstract is provided herewith along with the required copy of the NOTICE TO FILE CORRECTED APPLICATION PAPERS.

The present preliminary amendment in the specification remedies three minor typographical errors.

The petition and fee payment filed herewith are believed to remedy the unavoidable abandonment.

Included is a REQUEST FOR NON-PUBLICATION for entering if there has been no publication and if this can still be entered at this time.

The application is therefore believed to now be in condition for examination and allowance. Such action is earnestly requested.

Respectfully submitted,
